Queen (band) - Wikipedia
Parents, can you please talk to your daughters about Revealing Facts About Elizabeth II, The Abiding Queen. The concerts commemorated the Silver Jubilee of Queen Elizabeth II, and saw the band use a lighting rig in the shape of a crown for the first time, which cost the group £50,000. The band’s sixth studio album News of the World was released in 1977, which has gone four times platinum in the United States, and twice in the UK.

Dressing The Queen The Jubilee 1992 also marked Queen Elizabeth’s Ruby Jubilee on the throne. She was used to her sister Margaret causing drama behind-the-scenes during landmark events in her life—but her children really outshone anything Margaret ever did that year.

Queen Victoria: The woman who redefined Britain's monarchy
The Jubilee celebrations focussed on the Queen but also affirmed Britain’s place as a global power. Soldiers from the British Empire marched in processions through London.
